Public Comments:

Courtney Livingston: Ms. Livingston gave support to the concept of an antique store in Sharpsburg. She spoke about the need for such a store and its popularity.

Melynda Baldwin: Ms. Baldwin spoke about her desire to open an antique store on McIntosh Boulevard. She spoke about the need, the types of customers it would attract, and how it would enhance the town's expectations for festivals and events. It was noted that for this to be achievable, she would have to apply to rezone her property from Residential to Commercial and to apply for variances since the building she had in mind may not comply with the town's Zoning Ordinance. It was also stressed that Council reserves the right not to rezone the property and reserves the right not to grant a variance, but that Council was open to consider these matters further.

Polling of Council:

Puckett-Pike: Councilmember Puckett-Pike stated that the antique store spoken of by Ms. Baldwin could comply with the town's 2026 Comprehensive Plan, and she liked the concept of an antique store that could have festivals.

Garlington: Councilmember Garlington agreed with Councilmember Puckett-Pike. She added that it may be a suitable time to review the town's Zoning Ordinance and Sign Ordinance since the ordinances are both too cumbersome what, at times, is too restrictive.

Administrator's Report:

Meeting Dates: Administrator Jones stated that the 2026 Comprehensive Plan is being sent to the Department of Community Affairs (DCA) for review, and upon approval, a resolution will be presented for the town to adopt the Comprehensive Plan. He stated that it is a good idea to move the October meeting from October 5 to October 12 to allow the DCA to complete its review. He also added that the November meeting would have to move from November 2 to November 9 to accommodate the General Election. Council agreed to move the October meeting date from October 5 to October 12, and to move the November meeting date from November 2 to November 9. No vote was taken on this matter.

Department of Treasury: Administrator Jones stated the town had received a letter from the United States Department of Treasury stating that the department had reviewed its ARPA spending and reporting, and per that review, the Department of Treasury was satisfied that the town had met all its obligations.
