

PASSPORT TO SCOUTING BSA - What to Expect!

Come enjoy an afternoon with the **Boy Scouts of Troop 2193 of Cokes Chapel UMC**. We have planned several fun hands-on scouting activities and skills for your son to participate in. See for yourself true leadership, in action, in a **"boy lead scout troop"**. Please help in keeping everyone safe...please wear a mask!

In our **"Welcoming Area"** (the barn), you can grab a hotdog, a bag of chips, a cold soda, or water, and stay a spell. Here watch together a short looping PowerPoint of Troop 2193 Scouts in action. Topics include back country hiking, mountain backpacking, whitewater rafting, overnights, summer camp, ziplining, kayaking, canoeing, sailing, climbing, campfires, and so much more! Also hear from some of the troop's senior scouts who will take you and your son through the journey of the Scout ranks, merit badges, and view awards that your son can earn as he learns patriotism, life skills, and character development, while enjoying the outdoors.

Behind the barn participate in our hands-on **"Adventure & Learning Areas"**:

- *Learn fire starting without matches
- *Participate in how to measure a 100ft+ tree
- *Learn knots that could save your life
- *Learn is Scouting's ten essentials
- *Learn how to tell direction without a compass
- *Learn what to do if you ever get lost
- *Learn to identify some local poisonous plants
- and so much more.

Located near the **"Campfire Area"** (by the large U.S. Flag), your son can join in with our cooking team to lend a hand in creating a great cobbler. Later in the afternoon taste all our cooked creations with others, as you enjoy an autumn day in the woods. Close by will be the **"Refreshment Area"**, where you can warm yourself with a cup of hot chocolate or apple cider or if the day is warm we will have some cool lemon-aid or ice-cold sweet tea to enjoy.

In the back field, there will be an **"Outdoor Information Area"** for a great **Q & A** on personal camping equipment, covering such topics as: types of hiking shoes, socks & foot care, types of sleeping bags, air mattresses, tents, types of backpacks, mess kits, utensil, and water bottles.

We hope to see you there! **Remember to RSVP...** eaglescoutmccarthy@earthlink.net Cell #678-939-0399
